To Whom It May Concern,

David DaVinci and his show of thrills entertained some 22-thousand attendees at our 84th Annual Hadi Shrine Circus over the Thanksgiving Holiday weekend 2017. David and his wife astounded those attending with a variety of illusions and did so with a flare that left patrons in awe.

In our exit polls his show consistently scored in the top 3 acts people enjoyed at our event. Since then I've asked dozen of people their thoughts on the Circus and each and every time The DaVinci show was mentioned. He made just the impact we look for each year as we plan our program...we want people talking when they leave and telling others just how much fun our annual family event can be.

I might also add a bit about David's willingness to stop whatever he was doing to help entertain and promote our event with local media. He quickly became a staple on morning news shows covering ABC, CBS and NBC stations during their morning and mid-day drive times. He never said no to rising at 5:00 a.m. to help promote our event. Both he and his wife strike a stunning memory for many they've touched with their theatrics and illusions.

If you're looking for a high energy act that where people are left with a single question of "how did he do that" look no further, I've seen the question etched on faces during the 8 shows of Thrillusionist David DaVinci!

Shriners believe in creating memories and family traditions, we hope he returns to Evansville in the future to stay a part of our mission.
