

This letter is in reference to Mr. Dave Womach / David DaVinci.

To Whom It May Concern;

August 28, 2016

David DaVinci is a very good team player and takes immense pride in his work and, as a result, is continuously exceeding guest expectations in all his interactions; Guests simply enjoy his shows. He is passionate and goal driven and he is constantly coming up with new ways to improve the magical entertainment operations onboard. Dave excels in all areas, and offers incredible illusion shows including Close Up Magic and Bird Shows. He volunteers on regular basis to do additional shows and is part of the number 1 team in the fleet with focus on great entertainment.

Knowing that I can count on Dave when we miss a port, he volunteers to perform additional events and takes immense pride in his job, that makes the success of my position that much easier. It was a pleasure to have him on my entertainment team and, if you decide that he will be joining your team, you will find out exactly what I mean. Dave takes Magic to whole new level and he was chosen by the Shipboard Senior Leaders as Winner in our vacation hero recognition program for the month of August, 2016.
